		✓ Outline
		✓ Outline

Other hull colours: if purple text on the hull is hard to read from 20 m, use the outline.

Files and specifications

Main files

koolabung-lures-boat.pdf	Full colour. White and light hulls.
koolabung-lures-boat-outline.pdf	Full colour with white outline. Aluminium and dark hulls.
koolabung-lures-boat-outline-cut.pdf	Outline version plus contour cut line: spot colour CutContour, 0.1 mm, overprint.
*.eps	Same artwork as each PDF, for software that wants EPS.
*.svg	RGB vector masters.
*.png	Previews only. Not for print.

one-colour/

koolabung-lures-boat-purple / -white / -black	Single colour, for plotter-cut vinyl. Lure detail is simplified; the colour gradient on the lure can only be reproduced by printing.

parts/

koolabung-lures-lure[-outline]	Lure and swoosh on their own, at the same scale as in the full logo.
koolabung-lures-wordmark[-outline]	"Koolabung Lures" text on its own, same scale.

Specifications

Size	1000 × 286 mm (outline version 1000 × 302 mm). Vector: scale to fit the hull, keep proportions.
Quantity	2: one each side of the boat. Same artwork both sides. Do not mirror.
Material	Print on white marine-grade cast vinyl with UV laminate. Contour cut.
White	No white ink. White areas are the vinyl showing through.
Colour	CMYK, converted with Generic CMYK, relative colorimetric. RGB values below for matching.
